The financial liability of parents/guardians is confined to the candidate's private and vacation expenses during training. This originally amounted to £116 but due to increase in price levels this amount is invariably exceeded. The whole of this amount need not be deposited in one lump sum but can be made available in instalments as may be directed.

NEW

NOTE.—The grant of scholarships is entirely at the discretion of the Provincial Government/Administration concerned and is subject to the fulfilment of the conditions (e.g., those deserving financial aid, etc.) stipulated for the award. Therefore, the fact that a candidate has been selected for entry into the R. I. N. will not automatically make him eligible for the award of the scholarship.

4. The maximum number of candidates to be admitted to the examination may in the discretion of the Government of India, be limited to such number as the Government of India may decide. If a limit is imposed and the number of candidates exceeds that limit, the Federal Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for employment as commissioned officers in the Royal Indian Navy.

The candidates who obtain qualifying marks at the written examination shall appear before a Services Selection Board which will make recommendations for the final selection of cadets.

18. Finally selected candidates will be given a short period of preliminary training in India to enable them to gain some experience of Naval customs, routine etc. Thereafter the candidates will be sent for training to the U. On completion of three terms of training at the R. N. College and in the Training Cruiser; Cadets are rated Midshipmen, subject to qualifying in the passing out examination. (Midshipmen of the Executive Branch and Supply and Secretariat Branch then proceed to ships of the Fleet whilst Engineering Branch Midshipmen proceed to the Royal Naval College, Devonport). From this point they come under the ordinary regulations for Naval Officers.

This does not apply to refugee candidates seeking remission of the fee *vide* para (12) below.

(ii) Certificate of age (*See paragraph 6 of the Rules*).—
(a) The only proof of age ordinarily accepted by the Commission is the age or date of birth entered in the Matriculation certificate or one of the other certificates listed in paragraph 5 of the Rules. This certificate must be sent with the application in original.

If a Matriculation or equivalent certificate does not give the exact date of birth the candidate must send, in addi-

tion to the Matriculation or equivalent certificate, a certificate (in original) from the Headmaster of the High School which he first attended showing the date of his birth or his exact age as recorded at the time of his admission to the school. An Anglo-Indian, or an Indian Christian may send his original Baptismal or Birth Registration Certificate instead of the Headmaster's certificate.

A candidate, who has passed the Matriculation or equivalent examination as a *private student*, must submit, in addition to the Matriculation or equivalent certificate, a certificate from the Headmaster of the school which he first attended, showing the date of his birth or his exact age as recorded in the school admission register. If no school was ever attended, a certified extract from the Municipal Birth register relating to himself or some other convincing proof in support of the age stated in the Matriculation certificate should be submitted. *The application of a private student who can produce no satisfactory evidence in support of the age stated in his Matriculation or equivalent certificate may be rejected.*

NOTE 1.—A transfer certificate from a school or college will not be accepted as evidence of age.

NOTE 2.—The age and Nationality Certificate, issued by some provincial authorities, is not required.

NOTE 3.—Refugee candidates, who have lost their original Matriculation Certificates in Pakistan, should obtain duplicate certificates from the East Punjab University. If they are unable to obtain the duplicate Matriculation Certificate from the University, they should submit an extract from the University Gazette in which their results were published showing their date of birth and certified by the Registrar or the Headmaster.

NOTE 4.—Ordinarily the Commission do not accept a date of birth other than that proved or supported by the Matriculation Certificate. If they do so they require not

only convincing proof of the date claimed but also a satisfactory explanation of the incorrect entry in the Matriculation Certificate. When once a date of birth has been claimed and accepted by the Commission for the purpose of admission to an examination, no change will be allowed at a subsequent examination. Candidates who wish to challenge the entry of their age in a Matriculation Certificate, must do so at the first opportunity. In such cases, a candidate must send direct to the Federal Public Service Commission all the evidence on which he bases his claim, as soon as he has submitted his application.

(b) *Cadets of the Prince of Wales's Royal Indian Military College, Dehra Dun, must submit a certificate of age from the Principal of the College and no other certificate as evidence of age will be required.*

The original and a copy of each of the above-mentioned certificates must be submitted with the application. The original will be returned at the time of admission.

If the candidate has already submitted the required certificate in connection with another examination conducted by the Federal Public Service Commission and if it has not yet been returned to him, he should mention the fact when submitting his application, and, if possible, enclose a copy of the certificate. If the certificate is not with the Commission, it should be sent with the application whether the candidate appeared at a previous examination conducted by the Commission or not. If any certificate cannot be submitted with the application, a reasonable explanation of its absence must be given.

Candidates are advised to keep attested copies of their original certificates with them before submitting them to the Federal Public Service Commission as the Commission cannot undertake to return the original certificates until orders are passed on their applications nor can they undertake to supply attested copies to candidates.

(iii) A declaration by the parent or guardian of the candidate in the prescribed form (enclosed).

(iv) *Certificate of educational qualifications.* (See paragraph 5 of the Rules) —A certificate or diploma in original or in a copy that the candidate has one of the qualifications prescribed for the examination. The certificate submitted must be one issued by the authority (i.e., University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted, the candidate must explain its absence, and submit such other evidence (in original), as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

NOTE 1.—Candidates who have appeared at an examination the passing of which would render them eligible to appear at this examination, but have not been informed of the result, may apply for admission to the examination. Their applications will be accepted provisionally and they will be required to furnish proof of having passed the examination as soon as possible and in any case not later than the date of the commencement of this examination.

NOTE 2.—Candidates who possess the Madras, Andhra or Mysore Secondary School Leaving Certificate only, must submit in addition to their Secondary School Leaving Certificate proof that they have been declared eligible for admission to a University course of study as Matriculates. This certificate should be signed by the Registrar of the University concerned. But a candidate, who has been admitted to a recognised College or University may submit a certificate in proof of this fact from the head of the institution concerned. In the case of Universities in the province of Madras applications for the issue of certificates should be made together with the prescribed fee to the Registrar of the University concerned and not to the Secretary Board of Secondary Education.

When once a date of birth has been claimed and accepted by the Commission for the purpose of admission to an examination, no change will be allowed at a subsequent examination. Candidates who wish to challenge the entry of their age in a Matriculation Certificate must do so at the first opportunity. In such cases, a candidate must send direct to the Federal Public Service Commission all the evidence on which he bases his claim as soon as he has submitted his application.

training or who is removed or withdrawn prior to commissioning. The articles withdrawn will be disposed of to the best advantage of the state.

Air Force cadets will be issued with a complete scale of kit on entry. This kit will be treated as public property and will be withdrawn when a cadet is either commissioned or not otherwise retained in the service.

1. To be passed as fit for a commission in the Regular Army a candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with the efficient performance of military duty.

2. The correlation of age, height and chest girth will not be less than that given in the following table:—

Physical Equivalents

Age last birthday	Height without shoes.	Chest	
		Girth when fully expanded	Range of expansion not less than
	Inche	Inches	Inches
18	62 and under 65	33	2
	65 and under 68	33½	2
	68 and under 72	34	2
	72 and upwards	34	2
19	62½ and under 65	33½	2

	65 and under 68	34	2
	68 and under 70	34½	2
	70 and under 72	35	2
	72 and upwards	35½	2

3. The candidate's height will be measured as follows:—

He will be placed against the standard with his feet together, and the weight thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity and with the heels, calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and part of an inch to quarters.

4. The candidate's chest will be measured as follows:—

He will be made to stand erect with his feet together, and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder-blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum expansion of the chest will be carefully noted.

The minimum and maximum will then be recorded thus

33 34
1 inches —, —, etc.
35, 36

In recording the measurements, fractions of less than ~~an~~ an inch should not be noted.

5. The candidate will also be weighed, and his weight recorded in pounds. Fractions of a pound should not be noted.

6. The examination for determining the acuteness of vision includes two tests; one for distant, the other for near vision. The Army Test Types will be used for the test for distant vision, without glasses at a distance of 20 feet, and for the test for near vision without glasses, at any distance selected by the candidate. The standards of the minimum acuteness of vision with which a candidate will be considered are as follows:—

STANDARD I

Right eye
Distant vision — V.6/6
Near vision—Reads 0.6

Left eye
V.6/6
Reads 0.6

STANDARD II

<i>Better eye</i>	<i>Worse eye</i>
Distant vision V.6/6	V, without glasses = not below 6/60 and after correction with glasses = not below 6/24.

Near vision—Reads 0.6 Reads 1.

STANDARD III

<i>Better eye</i>	<i>Worse eye</i>
Distant vision—V, without glasses—not below 6/60, and after correction with glasses not below 6/6	V, without glasses = not below 6/60 and after correction with glasses = not below 6/24.

Near vision—Reads 0.8 Reads 1.

Each eye must have a full field of vision as tested by hand movements.

Squint or any morbid condition of the eyes or of the lids of either eye liable to the risk of aggravation or recurrence will cause the rejection of the candidate.

Each eye will be examined separately, and the lids kept wide open during the test.

Inability to distinguish the principal colours will not be regarded as cause for rejection but the fact will be noted in the proceedings and the candidate informed.

The degree of acuteness of vision of all candidates for commissions will be entered in the proceedings in the following manner:—

V. R. = with glasses =
Reads

V. L. = with glasses =
Reads

No relaxation of the standard of vision will be allowed.

7. The following additional points will then be observed:—

- (a) That his hearing is good and there is no sign of ear disease.
- (b) That his speech is without impediment.
- (c) That his teeth are in good order. He must have 10 sound teeth in the upper jaw functionally opposed to 10 sound teeth in the lower jaw. Two of these teeth in each jaw must be molars. Well-filled teeth will be considered as sound.
- (d) That his chest is well formed and that his lungs and heart are sound.
- (e) That he is not ruptured.
- (f) That he does not suffer from a severe degree of varicocele* or varicose veins. A candidate who has been successfully operated on will be accepted.

- (k) That he does not suffer from any inveterate skin disease.
- (l) That he has no congenital malformation or defect.
- (m) That he does not bear traces of previous acute or chronic disease pointing to an impaired constitution.
- (n) That he has been vaccinated successfully (or twice unsuccessfully†) within the last five years.

* Severe varicocele is defined as follows:—

(1) Where the mass of veins is so great that it hangs down in front of the testicle when the candidate stands up.

(2) If the cord is elongated to such an extent that the testicle hangs at a level obviously lower than normal, of course allowing for the fact that the left testicle is usually at a lower level than the right.

(3) If there is atrophy to such an extent that the affected testicle is estimated at less than half of the bulk of gland on the sound side.

(4) Undescended testicle should only be considered a disqualification when situated within the inguinal canal, or at the external ring.

† In support of this the candidates will be required to produce a certificate signed by a medical officer.

Every candidate must provide himself with a ruler graduated in inches and tenths of an inch, and in centimetres and millimetres, a set square, a protractor, compasses, and a fairly hard pencil. All figures must be drawn accurately and distinctly. Questions may be set in which the use of the set square or of the protractor is forbidden.

Any proof of a proposition will be accepted which appears to the examiners to form part of a systematic treatment of the subject; the order in which the theorems are stated in Schedule B is not imposed as a sequence of their treatment. In the proof of theorems and deductions from them, the use of hypothetical constructions will be permitted.

Questions will be set on Schedules A (i), A (ii), A (iii) and B (i), B (ii), B (iii). The use of algebraical symbols and (in the solution of riders) of trigonometrical ratios is permitted.

SCHEDULE B (THEORETICAL)

B (i)

Angles at a Point

*If a straight line stands on another straight line, the sum of the two angles so formed is equal to two right angles; and *the converse.

*If two straight lines intersect, the vertically opposite angles are equal.

*(Proofs of these theorems will not be required.)

Parallel Straight Lines

When a straight line cuts two other straight lines, if

- (i) a pair of alternate angles are equal, or
- (ii) a pair of corresponding angles are equal, or
- (iii) a pair of interior angles on the same side of the cutting line are together equal to two right angles, then the two straight lines are parallel; and *the converse.

Straight lines which are parallel to the same straight line are parallel to one another.

Triangles and Rectilinear Figures

The sum of the angles of a triangle is equal to two right angles.

In a polygon of n sides, the sum of the interior angles is equal to $2n-4$ right angles.

If the sides of a convex polygon are produced in order, the sum of the angles so formed is equal to four right angles.

*If two triangles have two sides of the one equal to two sides of the other, each to each, and also the angles contained by those sides equal, the triangles are congruent.

*If two triangles have two angles of the one equal to two angles of the other, each to each, and also one side of the one equal to the corresponding side of the other, the triangles are congruent.

If two sides of a triangle are equal, the angles opposite to these sides are equal, and the converse.

*If two triangles have the three sides of the one equal to the three sides of the other, each to each, the triangles are congruent.

*If two right-angled triangles have their hypotenuses equal, and one side of the one equal to one side of the other, the triangles are congruent.

*If two sides of a triangle are unequal, the greater side is opposite to the greater angle, and *the converse.

Two straight lines that can be drawn to a given line from a given point outside it, the perpendicular is the shortest.

If the diagonals of a parallelogram are equal, the parallelogram is a rectangle.

If a pair of opposite sides of a quadrilateral are equal and parallel, it is a parallelogram.

The straight line drawn through the middle point of one side of a triangle parallel to another side bisects the third side.

The straight line joining the middle points of two sides of a triangle is parallel to the third side, and equal to one-half of it.

If there are three or more parallel straight lines, and the intercepts made by them on any straight line that cuts them are equal, then the corresponding intercepts on any other straight line that cuts them are also equal.

*(Proofs of these theorems will not be required.)

B (ii)

Areas

Parallelograms on the same base and of the same altitude are equal in area.

Corollary. The area of a parallelogram is equal to the area of a rectangle on the same base and of the same altitude.

Parallelograms on equal bases and of the same altitude are equal in area.

Triangles on the same or equal bases and of the same altitude are equal in area.

*Equal triangles on the same or equal bases are of the same altitude.

In a right-angled triangle, the square described on the hypotenuse is equal to the sum of the squares described on the sides containing the right angle; and the converse.

Loci. The locus of a point which is equidistant from two fixed points is the perpendicular bisector of the straight line joining the two fixed points.

The locus of a point which is equidistant from two intersecting straight lines consists of the pair of straight lines which bisect the angles between the two given lines.

The Circle. A straight line drawn from the centre of a circle to bisect a chord which is not a diameter, is at right angles to the chord; conversely, the perpendicular to a chord from the centre bisects the chord.

*There is one circle, and one only, which passes through three given points not in a straight line.

Equal chords of a circle are equidistant from the centre; and the converse.

*The tangent at any point of a circle and the radius through the point are perpendicular to each other.

If two circles touch, the point of contact lies on the straight line through the centres.

The angle which an arc of a circle subtends at the centre is double that which it subtends at any point on the remaining part of the circumference.

Angles in the same segment of a circle are equal; and, if the line joining two points subtends equal angles at two other points on the same side of it, the four points lie on a circle.

The angle in a semicircle is a right angle.

The circle described on the hypotenuse of a right-angled triangle as diameter passes through the opposite vertex.

The opposite angles of any quadrilateral inscribed in a circle are supplementary; and the converse.

B (iii)

Areas. The square on a side of a triangle is greater or less than the sum of the squares on the other two sides, according as the angle contained by those sides is obtuse or acute. The difference is twice the rectangle contained by one of the two sides and the projection on it of the other.

In any triangle, the sum of the squares on any two sides is equal to twice the square on half the third side together with twice the square on the median which bisects the third side.

The Circle. In equal circles (or, in the same circle) *(i) two arcs subtend equal angles at the centres, they are equal; *(ii) conversely, if two arcs are equal, they subtend equal angles at the centre.

In equal circles (or, in the same circle) *(i) if two chords are equal, they cut off equal arcs; *(ii) conversely, if two arcs are equal, the chords of the arcs are equal.

If a straight line touches a circle, and from the point of contact a chord be drawn, the angles which this chord makes with the tangent are equal to the angles in the alternate segments.

If two chords of a circle intersect either inside or outside the circle the rectangle contained by the parts of the one is equal to the rectangle contained by the parts of the other.

Proportion; Similar Triangles

(Proofs which are applicable only to commensurable magnitudes will be accepted.)

If a straight line is drawn parallel to one side of a triangle, the other two sides are divided proportionally; and the converse.

*If two triangles are equiangular their corresponding sides are proportional and *the converse.

*If two triangles have one angle of the one equal to one angle of the other and the sides about these equal angles proportional, the triangles are similar.

If a perpendicular is drawn from the right angle of a right-angled triangle to the hypotenuse, the triangles on each side of the perpendicular are similar to the whole triangle and to each other.

The internal bisector of an angle of a triangle divides the opposite side internally in the ratio of the sides containing the angle, and likewise the external bisector externally.

The ratio of the areas of similar triangles is equal to the ratio of the squares on corresponding sides.

*Proofs of these theorems will not be required.

Elementary Trigonometry

(Questions on Trigonometry will be optional)

(1) Measurement of angles.

Sexagesimal measure and circular or Radian measure. Conversion of Circular measure into Sexagesimal measure and vice versa.

(2) Trigonometrical ratios for angles less than a right angle.

The following trigonometrical ratios will be considered.

Since, Cosine, Tangent, Cotangent, Secant and Cosecant of an angle.

Values of these trigonometrical ratios for angles of 0, 30, 45, 60 and 90.

(3) Trigonometrical ratios of angles of any size and sign.

Values of trigonometrical ratios for

0, 90 — 0, 90 — 0, 180 — 0, 180 — 0.

(4) Application of the trigonometrical ratios in solving simple practical problems in Heights and Distances.

NOTE.—The marks obtained by a candidate offering this paper will not be considered for entry to the Military Wing A.F.A. if he fails to be selected for the R.I.A.F.

4. From the marks assigned to candidates in each subject such deduction will be made as the Federal Public Service Commission may consider necessary in order to secure that no credit is allowed for merely superficial knowledge.

5. Deductions for handwriting which is at all difficult to read will be made up to 20 per cent. of the maximum marks for the written subjects. In English, and in every other subject, deductions for bad English spelling will be made up to 10 per cent. of the maximum marks.

6. In order to qualify in the written examination, candidates must obtain 50 per cent. of the aggregate marks

INSTRUCTIONS TO CANDIDATES REGARDING THE FILLING UP AND SUBMISSION OF APPLICATIONS FOR THE EXAMINATION FOR ENTRY INTO THE MILITARY WING OF THE ARMED FORCES ACADEMY AND THE INITIAL TRAINING WING OF THE R.I.A.F.

(1) A copy of the Notice Notification, etc., for the Examination is sent herewith. (The fact that these papers are being supplied to a candidate is no evidence of his eligibility for admission to the examination. Candidates should consult them to see if they are eligible before filling up the application form or paying the prescribed fee. The conditions prescribed cannot be relaxed).

(2) The enclosed application form must be filled up in the candidate's own handwriting.

The application form should be submitted direct to the Secretary, Federal Public Service Commission, Council House (Post Box No. 186), New Delhi. A service candidate must submit his application through his Commanding Officer, who will, if he considers the candidate eligible, forward it to the Federal Public Service Commission with his recommendation (vide Section B of the application form). Cadets of the Prince of Wales's Royal Indian Military College, Dehra Dun and KGRIM Colleges should submit their applications through the Principal of the College.

(3) Applications should be sent by registered post when they cannot be presented in person. If a candidate fails to register his application, he does so at his own risk. If he desires an acknowledgment, he should send his application "Registered Acknowledgment Due".

(4) If before or after the examination it is found that a candidate has knowingly furnished any particulars which are false, or has suppressed material information, he will be disqualified, and, if already admitted to the service removed.

(5) The candidate must send the following documents with his application:—

- (i) A treasury receipt or crossed Indian postal orders for Rs. 37/8/- (Rs. 9/6/- in the case of candidates belonging to the scheduled castes). (Fees in cash or by cheque are not acceptable).
- (ii) A certificate of age.
- (iii) A certificate of educational qualifications in original.

Details of the required documents are given below:—

Candidates are warned that if the application is incompletely or wrongly filled up or is not accompanied by the documents mentioned in items (ii) and (iii) above or by a reasonable explanation for the absence of such documents it will be summarily rejected and that no appeal against its rejection will be entertained.

(i) A treasury receipt or crossed Indian postal orders for Rs. 37/8/- (Rs. 9/6/- in the case of candidates belonging to the scheduled castes). The amount may be deposited in the nearest Government Treasury, or in a branch of the Imperial Bank of India or in a State Treasury authorised to transact business on behalf of Government. Amount deposited at Bombay, Calcutta, Delhi or Madras (Amount deposited in the Reserve Bank of India or in the Imperial Bank of India). The Treasury or Bank should be asked to credit it to Government under the account head "XXXVI—Miscellaneous Departments—Examination Fees—Receipts of the Federal Public Service Commission."

CANDIDATES MUST SEE THAT THEY ARE ELIGIBLE AND MUST DECIDE DEFINITELY TO ENTER FOR THE EXAMINATION BEFORE DEPOSITING THE FEE IN THE TREASURY (OR BANK). THE APPLICATION FEE WILL NOT BE RETURNED IN ANY CIRCUMSTANCES WHATEVER NOR WILL IT BE HELD IN RESERVE FOR ANY OTHER EXAMINATION (OR SELECTION) ONCE AN APPLICATION HAS BEEN CONSIDERED BY THE COMMISSION. A REFUND OF Rs. 30 (Rs. 7/8 in the case of candidates belonging to the scheduled castes) will however be allowed to a candidate if he is not admitted to the examination by the commission or having been admitted secures 35 per cent. or more of the aggregate marks at the examination. The name of the examination and

of the Treasury at which the fee is deposited should be clearly entered in the Treasury Receipt. The treasury receipt should be on the form pertaining to Central Government transactions and should be obtained from the treasury at which the fee is deposited.

NOTE 1.—Candidates, who are in the United Kingdom, Australia, Pakistan, Burma, Ceylon or Malaya at the time of submitting their applications should deposit the amount of their prescribed fee [the equivalent fee of Rs. 37-8-0 (Rs. 9-6-0 in the case of candidates belonging to the Scheduled Castes)] in the office of the High Commissioner for India in the United Kingdom, Australia, or Pakistan or in the Office of India's Ambassador in Burma or in the office of the Government of India's Representative in Ceylon or Malaya, as the case may be, and forward the receipt from that office.

NOTE 2.—Cash or cheques will not be accepted by the Federal Public Service Commission. All Postal Orders should be payable at New Delhi Post Office and in no case Postal Orders of any other Post Office will be accepted.

NOTE 3.—An application not accompanied by a Treasury Receipt or crossed Indian postal orders for Rs. 37-8-0 (Rs. 9-6-0 in the case of candidates belonging to the Scheduled Castes) will be summarily rejected and no explanation for inability to send the Treasury Receipt or crossed Indian Postal Orders with the application will be considered. This does not apply to refugee candidates seeking remission of the fee (*vide* para. 12 below).

(ii) *Certificate of age* (see paragraph 4 of the Notification).

(a) The only proof of age ordinarily accepted by the Commission is the age or date of birth entered in the Matriculation certificate or one of the other certificates listed in paragraph 9 of the Notification. This certificate must be sent with the application in original.

If a Matriculation or equivalent certificate does not give the exact date of birth the candidate must send in addition to the Matriculation or equivalent certificate, a certificate (in original) from the Headmaster of the High School which he first attended showing the date of his birth or his exact age as recorded at the time of his admission to the school. An Anglo-Indian, or an Indian Christian may send his original Baptismal or Birth Registration Certificate instead of the Headmaster's certificate.

A candidate who has passed the Matriculation or equivalent examination as a private student must submit, in addition to the Matriculation or equivalent certificate, a certificate from the Headmaster of the school which he first attended showing the date of his birth or his exact age as recorded in the school admission register. If no school was ever attended, a certified extract from the Municipal Birth register relating to himself or some other convincing proof in support of the age stated in the Matriculation certificate should be submitted. The application of a private student who can produce no satisfactory evidence in support of the age stated in his Matriculation or equivalent certificate may be rejected.

If the Matriculation certificate has not been issued to a candidate, he should submit alongwith his application an age certificate from the Headmaster of the School from where he appeared in the Matriculation Examination. Such a candidate will be required to submit his original Matriculation certificate before he is admitted to the Armed Forces Academy. He will be disqualified if later on it is found that the date of birth claimed by him in the application differs from that entered in his Matriculation Certificate unless the discrepancy is explained to the satisfaction of the Federal Public Service Commission.

NOTE 1.—A transfer certificate from a school or college will not be accepted as evidence of age.

NOTE 2.—The age and nationality certificate, issued by some provincial authorities, is not required.

NOTE 3.—Refugee candidates, who have lost their original Matriculation Certificates in Pakistan, should obtain duplicate certificates from the East Punjab University. If they are unable to obtain the duplicate Matriculation Certificate from the University, they should submit an extract from the University Gazette in which their results were published showing their date of birth and certified by the Registrar or the Headmaster.

NOTE 4.—Ordinarily the Commission do not accept a date of birth other than that proved or supported by the Matriculation certificate. If they do so they require not only convincing proof of the date claimed but also a satisfactory explanation of the incorrect entry in the Matriculation Certificate. When once a date of birth as been claimed and accepted by the Commission for the purpose of admission to an examination, no change will be allowed at a subsequent examination. Candidates who wish to challenge the entry of their age in a Matriculation Certificate must do so at the first opportunity. In such cases, a candidate must send direct to the Federal Public Service Commission all the evidence on which he bases his claim, as soon as he has submitted his application.

(b) Cadets of the Prince of Wales's Royal Indian Military College, Dehra Dun or K.G.R.I.M. College must submit a certificate of age from the Principal of the College and no other certificate as evidence of age will be required.

(i) *Certificate of educational qualifications.* (See paragraph 9 of the Notification).—A certificate or diploma in original showing that the candidate has one of the qualifications prescribed for the examination. The certificate submitted must be one issued by the authority (*i.e.* University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted the candidate must explain its absence, and submit such other evidence (in original) as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

NOTE 1.—Candidates who possess the Madras or Mysore Secondary School Leaving Certificates only, must submit in addition to their Secondary School Leaving Certificate proof that they have been declared eligible for admission to a University course of study as Matriculates. This certificate should be signed by the Registrar of the University concerned. But a candidate, who has been admitted to a recognised College or University, may submit a certificate in proof of this fact from the head of the institution concerned.

NOTE 2.—Candidates who have appeared or intend to appear at an examination the passing of which would render them eligible to appear at the examination but have not been informed of the result, may apply for admission to the examination. Their applications will be accepted provisionally and they will be required to furnish proof of having passed the examination as soon as possible and in any case not later than the date of the commencement of this examination.

In the case of Universities in the Province of Madras applications for the issue of eligibility certificates should be made together with the prescribed fee to the Registrar of the University concerned and not to the Secretary Board of Secondary Education.

(6) Candidates may be required at the interview by the Services Selection Board to produce the original of any documents of which copies have been submitted in connection with question 19 of the application form.

(7) Copies of the certificates mentioned in paragraph 5 (ii) and (iii) above should also be submitted along with the originals. If the candidate has already submitted any of these certificates in connection with another examination conducted by the Federal Public Service Commission and if it has not yet been returned to him, he should mention the fact when submitting his application, and, if possible, enclose a copy of the certificate. If the certificate is not with the Commission, it should be sent with the application whether the candidate appeared at a previous examination conducted by the Commission or not. If any certificate cannot be submitted with the application, reasonable explanation of its absence must be given.

Candidates are advised to keep attested copies of their original certificates with them before submitting them to the Federal Public Service Commission, as the Commission cannot undertake to return the original certificates until orders are passed on their applications, nor can they undertake to supply attested copies to candidates.

NOTE.—Certificates other than those mentioned in paragraph (5) (ii) & (iii) above will not be returned.

8. All communications in respect of an application should state the name of the examination and the candidate's address as mentioned in the application form and should be addressed to "the Secretary, Federal Public Service Commission, Council House, Post Box No. 186, New Delhi" otherwise such communications will not be attended to.

9. The fact that an application form has been supplied on a particular date will not be accepted as an excuse for the late submission of an application or as evidence of the receiver's eligibility to compete.

10. Every candidate for admission to the examination will be informed at the earliest possible date of the result of his application. It is not possible for the Federal Public Service Commission, however, to say when that result will be communicated.

All returnable certificates or papers will be returned when the result of his application is communicated to the candidate.

11. Candidates must make arrangements to see that communications addressed to them to the address stated in their applications are redirected, if necessary. Also any change of address should be communicated at once to the Secretary of the Federal Public Service Commission. If a change of address has taken place after the examination, it should also be notified to (1) Army Headquarters (India), A.G.'s Branch, Org. S.P.2(a), G.H.Q., Post Office New Delhi, and (2) Air H.Q., P.S. Dte., New Delhi. Although the authorities make every effort to take account of changes

in candidates' addresses, they cannot accept any responsibility in the matter.

12. A refugee seeking remission of the prescribed fee should forward along with his application his Refugee Registration Card (in original) and a certificate (also in original) from a District Officer or a Gazetted Officer of Government or a Member of the Central or Provincial Legislature to show that he is not in a position to pay the prescribed fee.

APPLICATION FORM FOR ADMISSION TO THE MILITARY WING OF THE ARMED FORCES ACADEMY AND THE INITIAL TRAINING WING OF THE R.I.A.F.

[A treasury receipt or crossed Indian Postal Orders for Rs. 37-8-0 (Rs. 9-6-0 in the case of candidates belonging to the scheduled castes) must be forwarded with this application. An application not accompanied by a Treasury Receipt or a crossed Indian Postal Orders will not be considered.
